

CORAL GLADES HIGH SCHOOL FOOTBALL BOOSTERS NEED YOUR HELP

Why?

A strong sports program keeps kids involved and builds school pride. But the school can't supply everything our team's need. That's where we come in.

Who are the Athletic Boosters?

We're a group of community members – parents, teachers, students, alumni, coaches, business owners, and neighbors – who help support our teams by donating and raising funds, running snack bars at home games, and helping with setup at sporting events. We even offer a line of Hornet sportswear throughout the season. **The money we earn goes toward projects and supplies for CGHS Football team as we promote school spirit through sports.**

What have the Boosters done?

While in recent years we have supported many additional projects that benefit all students as well as specific teams, this last year alone we supported the following: coaching assistants, city field fees, pre-game meals, supplies, spirit items.

What can you do?

Join us! And work with us to help make our sports programs a success. Your paid membership and any additional donation will be used to fund important athletic expenses that can't be covered otherwise. Your membership cards are good for discounts at football and basketball home games and you are contributing valuable support to your child's high school experience.
