

# JAGUARS FOOTBALL

Dear Business Owner,

I would like to take this time and introduce you to a wonderful opportunity to help promote your local business. My name is Jeff Mathis and I am the new Head Football Coach at Coral Glades High School. We are currently looking for local businesses that would like to encourage our young men at our football home games. There are many ways that we can help promote your local business. We have banner signs, football year book, school television and newspaper ads we run constantly for home games, Facebook, Twitter, and internet web-page. Although this is a down time in our economy, we are hoping that you will find the ability to help provide our young athletes with the necessary funds to help supply equipment, new team uniforms, supplies, spirit packs, and pregame meals.

I hope you can take the time to consider the exciting opportunity to help sponsor our Jaguars football team. These are exciting times around our program as we prepare to do things better than they have ever been done before. We know that with your help, we can make this happen. Below are some of the options available to you.

Thank you for your consideration,

Coach Jeff Mathis
